**Inc. Magazine Ranks Prime Graphics Among America's Fastest-Growing Private Companies**

(Wood Dale, Ill., September 01, 2009) – Prime Graphics has been named among the fastest-growing private companies in America by Inc. Magazine. The company ranked no. 3535 in the third annual Inc. 5000, the most comprehensive review of private enterprise ever assembled.

Prime Graphics, a market-leading provider of innovative decorative packaging solutions, achieved its ranking with revenue growth of 68% from 2005 through 2008. Founded in 1980, the company's growth accelerated with a balanced organic and a successful acquisition plan. A strategic acquisition in 2007 combined with new product initiatives such as shrink sleeves and film laminations for the produce industry accelerated new customer acquisition.

"Realizing significant growth, especially during this time of economic uncertainty has been very exciting and rewarding," said Prime Graphics' President Bill Hunter. "I feel we are well positioned for continued growth through innovation and our committed organization of experienced packaging professionals. We deliver sustainable packaging solutions deliberately aimed at recession resilient markets."

As an industry leader, Prime Graphics continually receives recognition for its quality and technical expertise. Prime Graphics was recently awarded the Flexographic Technical Association's Excellence in Flexography Silver Award for Technical Merit and the Flexible Packaging Association's Honorable Mention for Print Excellence.
